Dear Students,

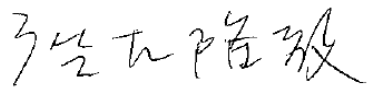

I am pleased to invite you to apply for the Toshiba Corporation 2015 summer internship program.

With a history of over 140 years, Toshiba is one of Japan's long-established manufacturers, and today a leading maker and marketer of advanced electronic and electrical products. Through our commitment to people and to the future, we create innovative products and services that enable a higher quality of life for all people, and help ensure that a thriving and healthy society continues in the world community.

Our organization has welcomed many excellent interns from overseas over many years. We would like to welcome you as an intern in one of our in-house companies in Japan. I believe that this internship will be invaluable experience for you and will broaden your perspective by offering the experience of living and working in a different culture.

Please refer to the attached for more details on the TOSHIBA Global Internship Program. I look forward to receiving your application soon.

Sincerely,

Takanori Zako  
Senior Manager of Recruiting Center  
HR & Administration Division
